OPERATIONS

The Company manufactured 10036 MT of Bright Bars and 1104 MT CR Sheet during current year as against 11440 MT & 1574 MT respectively produced in last year. The production and sales has been increased compared to last year due to demand in the market and also global demand position. The trading activity of the company has been decreased compared to last year. During the year the turnover of the company has gone down due to demonetization effect throughout the country though we expected better result and turnover during 2016-17 financial year. During current year we are also expecting better turnover and result of the company.

PROSPECTS

The Company is one of the leading Manufacturer in terms of product quality. Their Company avail of a higher price than most other companies in the field even during market competition. The Company is making all out efforts for increasing productivity and controlling costs, while giving necessary impetus to quality.
