This Report is prepared and issued to the Subscriber without any risk, responsibility or liability on the part of MIPL or its officials.

RATING & COMMENTS

(Mira Inform has adopted New Rating mechanism w.e.f. 23rd January 2017)

MIRA's Rating :

A

Credit Rating	Explanation	Rating Comments
A	Acceptable Risk	Business dealings permissible with moderate risk of default

Status :	Satisfactory
Payment Behaviour :	Slow but correct
Litigation :	Clear
Comments :	<p>Subject was incorporated in the year 1989 and it is a manufacturer, exporter and dealer of ferrous metals castings, ingots, flats, press and forgings structural and rolling work.</p> <p>As per financials of March 2017, the company has registered marginal decline in its revenue and has reported average profit margin of 1.71%.</p> <p>Rating takes into consideration the company's established track record of business operations marked by sound net worth base along with average debt coverage indicators and decent liquidity position.</p> <p>Rating also takes into account the experienced promoters with experience of almost three decades in the steel industry along with diversified product portfolio and its presence in global market.</p> <p>Further, the company has reported earnings per share of INR 5.11 against its face value of INR 10</p> <p>However, rating strength is partially offset by working capital intensive nature of operations and highly competitive steel industry.</p> <p>Payments seems to be slow but correct.</p> <p>In view of aforesaid, the subject can be considered for business dealings at usual trade terms and conditions.</p>

NOTES :
